**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business that depends on the effective use of internet services upon shared broadband use. The position of excluding shared existing cable from other internet providers is a frightening consideration. The more competition for internet providers there are, the better for small businesses like mine. Exclusivity to the BIG PROVIDERS will increase rates for fair competition in the market place. I have used internet and phone services over the internet for 20 years to grow our business.

Please keep the marketplace for internet, broadband and phones protected from the giant Goliaths that would squash healthy American commerce.

Sincerely,

Sarah Umbenhower
